### **About COACHELLA**

Imagine a vast green landscape framed by beautiful desert mountains and a setting sun...This is Coachella. Currently the most critically acclaimed music festival in the U.S., the Coachella Valley Music & Arts Festival prides itself on the ability to mix some of the most groundbreaking artists from all genres of music along with the beauty and tranquility of an immense festival ground. Known for its adventurous mix of iconic headliners and wide-ranging, forward-looking performers, the festival has been described by Robert Hilburn of the *Los Angeles Times* as "...the Kentucky Derby of rock" and "...the most significant annual pop event in the country." Now after six years, this feature length film highlighting some of the most captivating and memorable performances in the festival's history will take fans in movie theatres across the country on a musical journey that ultimately will define a generation.
