Theatres Nationwide on Monday, September 13<sup>th</sup> at 7:30 p.m. Local Time**

**Presented in High Definition and Cinema Surround Sound**

***Changes* DVD Available September 14<sup>th</sup>**

Denver, CO – August 23, 2004 – On September 13<sup>th</sup>, hard rock fans can get a big screen taste of what it's like to be on tour with Godsmack, one of today's top-selling bands, in a special One Night Only™ presentation of the new live concert film *Changes* at 50 Regal Entertainment Group ("REG" NYSE: RGC) movie theatres across the country.

The exclusive in-theatre premiere, presented by Regal CineMedia<sup>SM</sup> (RCM) entertainment services, Coming Home Studios, SRS Labs, AEG Live and AEG TV, will premiere in select Regal Cinemas, United Artists Theatres and Edwards Theatres\* nationwide on September 13<sup>th</sup> at 7:30 p.m. local time. Advance tickets are available for \$12.50 at participating box offices or online at [www.regalcm.com](http://www.regalcm.com). Event day tickets will also be available at box offices or online for \$15.

*Changes* gives an intimate portrayal of life on tour with Godsmack throughout the band's 2003-2004 "Faceless" Tour. Shot by Daniel E. Catullo III and Andrew MacNaughtan with 14 cameras in High Definition, 16:9 format, *Changes* lets audiences experience the rigors of being on the road and travelling from city to city to perform music for tens of thousands of die-hard fans. The film features in-depth interviews with all four band members, behind-the-scenes material, and over an hour of live performance footage including the hit songs "Straight Out Of Line," "Voodoo," "Awake," "Moon Baby," "I Stand Alone," "Faceless," "Keep Away," "Bad Religion," "Whatever," "Re-Align," "Changes" and "Serenity."

Godsmack has gone from being an unknown Boston band to become one of the most popular and widely acclaimed hard rock acts in the United States, with a fan-base in the millions. Since 1998, the band has sold over 7 million records (including their "Faceless" album, which debuted at #1 in 2003), released 11 Top Ten singles and garnered 3 Grammy nominations. *Changes* is just a small part of their story; the latest in a string of accomplishments that have earned them the reputation "Hard as nails and cranked to eleven!"

The newly released *Changes* DVD will be available in stores on Tuesday, September 14<sup>th</sup>. More information about *Changes* is available at [www.changesthemovie.com](http://www.changesthemovie.com) and [www.godsmack.com](http://www.godsmack.com).

#### **About SRS Labs' Circle Surround Technology**

Circle Surround is a powerful and versatile multi-channel encoding and decoding technology capable of delivering up to 6.1 channels of audio over any two-channel medium. Quickly becoming the surround sound standard for television broadcasters, record labels, and Emmyaward winning television mixers, Circle Surround is the ideal encoding solution for 'real world' applications, making it the most flexible surround solution. Once content is Circle Surround encoded, the signal can be carried over standard stereo cables or broadcast methods. Listeners with a surround sound home theatre playback system will enjoy surround sound. Listeners with a 2-speaker stereo system, or those who use the internal TV speakers, will experience enhanced stereo playback.

Circle Surround encoding empowers audio professionals with the ability to deliver up to 6.1 surround sound to their audience with the confidence to complete backward compatibility. To date, Circle Surround decoding has been incorporated by leading hardware and software manufacturers including: Kenwood, Marantz, Theta Digital, Accuphase, Jaton, M-Audio, Orion Studios and Smart Devices.
