(1) Following the adoption of ASC 842, as discussed in our current report on Form 10-Q filed with the SEC on May 6, 2019 for the quarter ended March 28, 2019, amortization of the ESA and affiliate intangible balances is considered a form of lease expense and has been reclassified to this account as of the adoption date, December 28, 2018. The Company adopted ASC 842 prospectively and thus, prior period balances remain within amortization expense.

(2) Share-based compensation costs are included in network operations, selling and marketing and administrative expense in the financial statements.
