(New York, NY — November 1, 2004) — For more than 30 years, **AEROSMITH** has defined American Rock 'n' Roll. With over 100 million albums sold, countless awards (Grammys, American Music Awards, Billboard Music Awards and MTV Awards), and a diehard fan-base numbering in the millions worldwide, Aerosmith is now making the leap to the big screen with the premiere of ***You Gotta Move***, filmed during the band's critically acclaimed tour supporting their 25th album, **Honkin' On Bobo**. The members of Aerosmith--STEVEN TYLER, JOE PERRY, BRAD WHITFORD, TOM HAMILTON and JOEY KRAMER--remain creatively vital, and are the platinum standard for artistic and commercial success in the music world.

You Gotta Move will debut on Tuesday, November 23rd at 7:00 PM (local time) at 64 Regal Entertainment Group (REG, NYSE: RGC) movie theatres across the country in a One Night OnlyTM Big Screen ConcertsSM event presented by Regal CineMediaSM (RCM) entertainment services, Columbia Music Video, AEG-Live and AEG-TV. Advance tickets are available at select Regal Cinemas, United Artists Theatres and Edwards Theatres* box offices nationwide and online at www.BigScreenConcerts.com for \$12.50. Event day tickets will also be available at box offices or online for \$15.00.

Over two million fans caught America's Greatest Rock 'n Roll Band on the **Honkin' On Bobo** tour, which was captured by filmmakers for ***You Gotta Move*** in 2004. This Big Screen Concert event features all the smash hits like "Sweet Emotion," "Dream On," "Walk This Way" and "I Don't Want To Miss A Thing," plus never-before-seen performance footage of five additional songs--"Fever," "Livin' On The Edge," "Same Old Song And Dance," "Last Child" and "Rats In The Cellar"--as well as behind-the scenes in-the-studio footage, raw and uncensored, of the making of **Honkin' On Bobo**, which received a four-star review in **Rolling Stone**. Steven Tyler and Joe Perry have also created a personalized

introduction that sets up the concert exclusively for the Regal Big Screen Concert audience.

Steven Tyler says, "I just spent four weeks in Pandora's Box mixing this puppy into a sweet 5.1 lather, and tonight, for one night only, you're gonna hear, see and feel 30 years of clubs, arenas, juke joints and jams rolled into two hours of sweet concert insanity!"

Joe Perry says, "In a 30 year career that has more incredible experiences than I could have imagined, to see Aerosmith like this on the big screen is right up there with the best of them. You have to remember that we never get to see ourselves play, but we always picture ourselves right there with our fans in the audience. So this is gonna be something that we won't forget, and that's saying something."

You Gotta Move is Aerosmith's first live concert DVD release and their first video release since *The Making Of Pump*. Columbia Music Video will release Aerosmith's' ***You Gotta Move*** for the first time on DVD on Tuesday, November 23rd. This groundbreaking DVD contains over two hours of music and interviews and includes an inside look at the making of the band's critically-acclaimed album Honkin' On Bobo, which served as the basis for the tour which led to ***You Gotta Move***. The package also includes a bonus audio CD featuring UMixIt™, groundbreaking interactive music technology for your PC.
