Prince, who is about to be inducted into the Rock and Roll Hall of Fame, has sold more than 100 million records and is regarded by fans and critics alike as a monumental force and influence in popular culture. During the '80s, Prince emerged as one of the most singular talents in the history of music, releasing a series of groundbreaking albums that both defined and captured the spirit of the times. With each successive album, Prince has shown remarkable stylistic growth and musical diversity, constantly experimenting with different sounds, topics and genres. Few artists have created a body of work as rich and varied.

The "Musicology" tour continues throughout the spring and summer. The live concert will be performed in the round, with a center stage, allowing for many great seats in each venue. Tickets and information about the live show are available on Prince's web site at [www.npqmc.com](http://www.npqmc.com), Ticketmaster or Tickets.com depending on the market.
