(“AMC”), Cinemark Media, Inc. (“Cinemark”), Regal Cinemas, Inc. and Cinemark USA, Inc. The common membership units will be issued on March 31, 2010, the settlement date.

<u>Name of Member</u>	<u>Ownership Interest Prior to 2009 Adjustment (as of Dec. 31, 2009)</u>	<u>Ownership Interest Post 2009 Adjustment (as of Dec. 31, 2009)</u>	<u>Change</u>

Therefore, the NCM LLC units issued to the Founding Members may be redeemable for an equal number of shares of NCM, Inc.’s common stock.

Neither NCM, Inc. nor NCM LLC received any cash consideration in exchange for the issuance of the units. In addition to the issuance of the units, cash will be issued in lieu of partial units in the amounts of \$10.41, \$10.46, and \$6.70 to AMC, Cinemark, and Regal, respectively.

The units will be issued in reliance upon the exemption from the registration requirements of the Securities Act provided for by Section 4(2) thereof for transactions not involving a public offering. Appropriate legends have been affixed to the securities issued in this transaction. The Founding Members had adequate access, through business or other relationships, to information about NCM, Inc.

Discussion of Common Unit Adjustment Calculation

Methodology

The Common Unit Adjustment Agreement provides a mechanism for adjusting membership units held by the Founding Members, based on increases or decreases in attendance associated with theatre additions and dispositions by each Founding Member. The adjustment of membership units pursuant to this agreement are conducted annually, except that an earlier adjustment will occur for a Founding Member if its acquisition or disposition of theatres, in a single transaction or cumulatively since the most recent adjustment, will cause a change of two percent or more in the total annual attendance.

Increases in attendance associated with theatre additions are included in the unit adjustment if arising from acquisition of a theatre or opening of a newly constructed theatre, except that lease renewals and extensions are not included and acquired theatres, subject to an agreement with an alternative cinema advertising provider, will not be included until certain run out payments are made to NCM LLC by the Founding Member acquiring the theatre pursuant to its ESA or until such third party cinema advertising agreement expires.

Decreases in attendance associated with theatre dispositions are included in the unit adjustment if arising from the closure or sale of a theatre, unless the purchaser or sublessee enters into an agreement with NCM LLC similar to the ESA, the theatre is closed at the end of its lease term in effect on February 13, 2007 (the Common Unit Adjustment Agreement date), the theatre is closed at the end of an initial term of a lease entered into after February 13, 2007, or a non-digitized theatre is closed within the last three years of the term of a lease in effect on February 13, 2007.

The changes in 2009 attendance were calculated based on attendance at the relevant theatres during the twelve months prior to the acquisition or disposition date; however, if an acquired or new build theatre was not operating during all twelve months prior to the acquisition or opening date, the change in annual attendance was calculated based on 75% of the projected, year 1 annual attendance for such theatre, as determined in approving development by the Founding Members' board of directors (or other investment committee designated by the board). Additionally, in the calculations for adjustment upon acquisition, new openings, closures or disposition, only one-half of the attendance was included for theatres that were not digitized.

In the case of acquired or new build theatres in which the 75% of projected, year 1 annual attendance was used in prior Common Unit Adjustments, an additional adjustment or "true-up" was made to the net increases and decreases in attendance. This adjustment was calculated as the variance between the attendees applied in the prior Common Unit Adjustment and the actual, year 1 attendance for such theatres.

Discussion of the net attendance adjustment:

- The aggregate net attendance adjustment used in calculating the Common Unit Adjustment was an increase of 10,273,525 attendees.
- The total attendance increase was 9,328,445 attendees, of which 3,672,527 attendees related to newly opened theatres (projected attendance of 4,896,703 weighted at 75%) and 5,655,918 attendees related to acquired theatres. All of these attendees were added on digital screens. A total of 200 screens (118 new and 82 acquired) were added resulting in an average attendance per added screen of approximately 46,642 (31,123 per new screen and 68,975 per acquired screen).
- The total attendance decrease due to dispositions was 1,595,658 attendees, of which all attendees were from digital screens. A total of 100 screens were disposed of resulting in an average attendance per disposed screen of approximately 15,957.
- The total attendance increase due to an adjustment between the projected, year 1 attendance of 22 new builds included in the prior Common Unit Adjustment and the actual, year 1 attendance for these 22 new build theatres was 2,540,738 attendees.
- Though excluded from the calculation, it is important to note that the decrease in attendance due to end of lease screen closures was 2,788,177 attendees, of which 2,184,721 attendees were from digital screens and 603,456 attendees were from non-digital screens (attendance of 1,206,912 weighted at 50%). A total of 165 screens were closed due to end of lease screen closures resulting in an average attendance per excluded screen of approximately 16,898. These attendees are approximately 64% of the total attendance loss from dispositions and end of lease closures.
