"When I imagined myself up on the 'Big Screen,' I never thought it would be like this. It's a great opportunity to connect with my fans and allow them to see concert footage like they've never seen before. I'm happy that "Live & Unwrapped" will be seen somewhere that will showcase the grandness of the 'Colosseum' at Caesars Palace and the uniqueness of this very intimate show," expressed Estefan.

LIVE AND UNWRAPPED was directed by Emmy Award-winner Larry Jordan and was choreographed by renowned television and film director, Kenny Ortega (*Dirty Dancing*, *Chicago Hope*, *Ally McBeal*). Other concert features include "living scenery/puppetry" by Michael Curry (Broadway's *The Lion King*), over a dozen performers including dancers and percussionists and a specially designed video display.

Overall, Gloria Estefan's career has included recording the official theme for the 1996 Summer Olympics, three Grammy Awards, a Latin Grammy Award for directing her first video, "No Me Dejes De Querer," and an Oscar nomination for the title song for the movie *Music of the Heart*, which she also appeared in, opposite Meryl Streep.
